I would highly recommend this lodge if you are after some of the biggest Browns on the planet. I have never stayed anywhere that was more peaceful. I will tell all of my friends to go there for an experience of a lifetime. Magic Schwarz, movie actor, stuntman, and of course avid fly-fisherman.

It was such a magical time, and I will forever hold a piece of Trapananda in my heart. Your lodge and all of the people who work there were truly memorable.

Many 3-kilo brown trout, also. Thank you again for sharing with us your favorite fishing spots and giving us such an amazing trip. It is hard to come back to the snow, I hope to return to Chile for more fishing.

*All the best from Cincinnati,

Luis, thanks again for a very special week of fishing at Salmo Patagonia Lodge. As you know, this is the second time I've spent a week fishing at your lodge, and I'm booking the same week to fish with you again next year. I've enjoyed fishing at many lodges around the world, and yours is one of the finest. You are a wonderful host and one of the best fishermen and fly casters I've ever known. I'll never forget the afternoon you guided me to 11 big trout, including two 24" rainbows and this 10 lb. brown trout, which is the largest brown trout I've ever caught in my 55 years of fly fishing! I could not have done it without your expert help, and I am already looking forward to fishing with you again next year!
